

Thank you so much for your interest in becoming a member of the Friends of the Township of Ocean Library.

Due to the Covid-19 pandemic restrictions on gatherings, we have had to cancel two years of fund raising book sales, which along with membership dues, are the major sources of our annual revenue. We are hoping to resume our book sales and other activities in 2022! Each year the Friends Executive Board allocates funds for children, young adult and adult programs as well as resources for the library. These are the extras that help make our Ocean Branch Library so vital to our community. We need your support more than ever.

2022 membership dues are \$5.00/person

Our membership year is January through December.

(If you have already paid your dues for 2022, **thank you** - and please consider asking a friend or neighbor to join)

By becoming a Friend of the Library you are supporting a mission of reaching out to expand literacy, promote activities of educational value, and raise awareness of library and information resources in the community.

Thank you for your support!
