

Library on the Go Instructions for Kindle (excluding Kindle Fire)

1. Go to our homepage at www.monmouthcountylib.org.
2. Select the **Overdrive/Ebooks/Audiobooks** tab.
3. To search for books, enter title, author, or subject on the search line or click the advanced search link for a more detailed search.
4. You may also search by choosing “Subjects” or “Collections” (can choose “only available now” e-books and audiobooks, etc.) at the top left of page.
5. To view a sample or readalikes, click the (...) tab on the bottom right of the book.
6. You may have 5 items checked out and 8 hold requests at one time.

Making a Selection:

1. Select a book. Note that books will say “Available” or “Wait List.” Also note if the book is an e-book or audiobook (found under each book).
2. To borrow an available book, click on the book or on “borrow.” Go into your bookshelf (click the books icon at the top right). Click “Choose format” and choose Kindle Book option.
3. You will automatically be redirected to Amazon
 - a. Choose the “Get Library Book” box
 - b. Sign in to your Amazon account
 - c. Your device should be listed as the default; then choose Continue.
 - d. Your book will automatically be transferred to your device.
4. To place a hold on a “wait list” book, click on the book, then on the “Place Hold” option. You will be emailed when your book is available.
5. To bookmark a selection to hold in your account “list,” tap the bookmark at the bottom right of the desired book. Bookmarked items will be in your **wish list** under your account.
6. If a title is eligible for renewal, go to your “Loans” page (the books icon in the upper right corner) three days before an item is due. There, select the “request again” button below the desired renewal. Renewals will have to be downloaded again on the Loans page. If a title is not available, you may enter your email address and retrieve it when it becomes available.

Returning Books

1. Sign in to your Amazon account.
2. Under **Your Account**, go to **Manage Your Content and Devices**.
3. Next to the book to be returned, under **Actions**, click on **Return this Book**.
4. Go back to the returned book and under **Actions**, click **Delete from Library**.
